# Welcome to the 2025 NILE Stock Show & Rodeo

*A message from  
Bobby Miller,  
NILE President*

Welcome to the 58th Northern International Livestock Exposition!

We have some new events this year which we are very excited to share with you. The World Hereford Tour will be stopping during the show for a couple of days which will bring 400 attendees to Billings.

From candy, clothing, art, gifts or supplies you will certainly find what you are looking for at the trade show! The cattle shows have continued to grow and of course the youth will be very busy with their livestock projects and the 4H & FFA contests. The horse shows will kick off at Millers Horse Place before coming back to the grounds for the Gold Buckle Ranch Horse Futurities. Then 4th graders that show up for the A g Ed program really create some added energy!

Sales, Sales and more Sales will be taking place with the cattle breeds, Jr Fed, Club Calf and Gold Buckle Horse Sale. The end of the week will bring the popular Ranch Rodeo and dancing in the dirt with Kyle Shobe!

There will be something for everyone! I look forward to seeing you in October!

Sincerely,

*Bobby Miller*

*A message from  
David Allen,  
NILE  
General Manager*

October is upon us! We are pleased to host you all here at the 58th annual NILE Stock Show!

Agriculture continues to evolve, grow and change. The role our youth play in Ag is of critical importance to us at NILE; youth in Ag are our future. NILE will continue to grow and place more focus on supporting our youth as they enter the world of farming and ranching or related "Ag-vocating".

We look forward to each event on the schedule, whether you plan to join us for our Junior Fed Market & Female Shows, Breeding Cattle Shows, 4-H & FFA Contests or to take part as a buyer in our sales!

You may have noticed the schedule is a bit different this year, with the PRCA Rodeo (now named "Rodeo Billings" moving to August), the Gold Buckle Horse Sale moving to Friday, October 17th and the Hereford & Red Angus Shows moving to the Metra on Saturday, October 18th. This year we have the pleasure of hosting folks from across the world as they make tour stops along the World Hereford Tour! We look forward to hosting you and showing you a piece of Big Sky Country along your travels.

We are excited that you have chosen to participate in the NILE Stock Show! It is our goal to make this show a quality experience for each and every exhibitor. The NILE staff is here to assist you as you show your livestock. We pride ourselves in being authentic and credible in the world of Stock Shows and western sports. Don't hesitate to ask our NILE personnel if we can assist you!

Sincerely,

*David Allen*

# NILE LIVESTOCK RULES & REGULATIONS

For questions not covered in this section, contact: NILE Livestock Department - P.O. Box 1981 - Billings, MT 59103.  
Phone (406) 256-2495 | [www.thenile.org](http://www.thenile.org)

**Notice:** Northern International Livestock Exposition hereinafter, in this premium book, will be referred to as NILE.

The NILE Stock Show & Rodeo is committed to the humane treatment of all animals exhibited. Every possible precaution is taken to insure the animal's safety and well being. The production practices in the livestock industry are based on good principals of animal husbandry. No one has a greater economic stake in the welfare of animals than the livestock producers and organizations involved in the promotion of agriculture.

**Interpretation and Violation of Rules:** Exhibitors are requested to report any rule violation(s) to the management immediately so that appropriate action may be taken. The NILE reserves to its general manager and/or executive committee the final and absolute right to interpret these rules and regulations and settle and determine all matters, questions and differences in regard thereto, or otherwise arising out of or connected with or incident to, the NILE; and to amend or add to these rules as its judgment may determine. An exhibitor who violates any rule will forfeit all privileges and premiums and be subject to such penalty as the general manager/executive committee may order. The failure of the NILE to enforce any of the provisions, rules, rights or remedies or to exercise any options or sanctions herein will in no way be construed to be a waiver of such provisions, rules, rights, remedies, sanctions or options.

Special rules or conditions are published in each department where necessary. If there is a conflict between the special rules or requirements and the general rules and regulations, the special rules or requirements will govern.

**Eligibility:** The NILE is an invitational livestock show; the general manager/executive committee reserves the right to extend or withhold invitation or admission to any exhibitor.

**Liability:** All exhibitors and exhibits must comply with the rules and regulations of NILE, but in no case will the NILE, its agents, any members, staff, volunteers, or sponsors of NILE be responsible for any injury, loss, death, theft or damage which may occur to the exhibitors, his/her employees, livestock or property from any cause whatsoever, including but not limited to lost profit or other financial loss to exhibitor of any type or description including any special, indirect, reliance, incidental or consequential damages which be may caused directly or indirectly by the enforcement of such rules and regulations, or for any time delays, inadequacies of services by NILE or MetraPark or any use thereof of the contracted space or by any deficiency or defect therein. Exhibitor agrees that it will continue to pay all charges and other sums due NILE hereunder irrespective of any such claim, loss, death, damage, theft or expense. The exhibitor expressly releases NILE, its officers, board of directors, members, staff, sponsors and volunteers, as well as MetraPark and Yellowstone County, from any claims for loss, death, theft, damage or injury. Show management and sponsors shall not be liable for failure to perform obligations as a result of disease, strikes, riots, acts of God, acts of terrorism or any cause beyond its control.

**Security:** Exhibitor acknowledges that security is not provided or guaranteed by show management. Security may be arranged through the facility at exhibitors' expense. Livestock and property of exhibitors are understood to remain in the exhibitor's care, custody and control in transit to, from and within the confines of the show grounds. Show management recommends that exhibitors contact their insurance companies to confirm livestock and property coverage.

**Sale Disputes:** Sale disputes are between buyer and seller.

**Mail:** Mail may be received by sending it in care of NILE, P.O. Box 1981, Billings, MT 59103. Pre-shipping of items, express mail, federal express, UPS and overnight mail should be directed in care of NILE, NILE Administration Building, 308 6th Avenue North, Billings, MT 59101. No COD's will be accepted.

**Telephone:** The following number may be utilized to accept incoming calls only during the show (406) 256-2495.

**Dogs:** Dogs are not permitted.

**Livestock Entrance to Grounds:** Exhibitors with livestock can use Gate 1 (Club Calf & Breed Cattle), 2 (Pen Cattle or Tie Outs) or 4 (Jr. Fed) and may proceed as directed by informational signs. Breeding cattle (except for pen cattle) must tie out if not arriving within barn hours. Check-in will be done at specified times. Brand Inspectors will be located in the Expo Center from 8am-5pm daily.

**Health, Brand & Import Regulations:** All exhibitors are required to familiarize themselves with all the rules governing health, brand, and import regulations. See Health Section (see "NILE Health, Brand & Import Regulations" on page 19).

**Entry Information:** All applications for entry must be made by going to [www.thenile.org](http://www.thenile.org). Entry form must be completely filled out online and payment of fees (in U.S. Funds) must be processed in order for the entry to be considered complete. **Incomplete entries, emailed entries or printed/handwritten entries will not be processed.** Contact the NILE, (406) 256-2495 if questions arise.

**Entry Fees:** No entry will be accepted unless entry fees accompany online entry forms. If payment is not received, entry will be marked incomplete and exhibitor will not be allowed to stall or show.

**Accepting Entries:** The management reserves the right to accept or reject, entirely, partially or conditionally, any entry or application. The management also reserves the right, either personally or by committee to inspect all entries after they have arrived and dismiss any entries that would discredit NILE or do not meet printed requirements for all entries. By submitting application for entry, participant (parent or legal guardian) acknowledges they have read and agree to abide by the NILE General Rules and Regulations, Health Regulations, NILE Agreement of Responsibility and Liability, specific show or division rules and regulations, National Show Ring Code of Ethics, and USDA Wholesome Assurance Statement, and agree to observe and abide by these rules and regulations.

**Late Entry:** Late entries will be charged an additional \$50 per head or pen. Late entries will be accepted, only if space is available, if received before 5 p.m. MST Sept. 15, 2025. This will be determined by the show management.

**Incorrect Entries:** Animals that have been incorrectly entered must be transferred to their proper class prior to judging. If said animal is judged in the wrong class, the animal will be disqualified from that judged class.

**Refunds:** 50% Refund of entry fees will be made only if written notice of cancellation is received by 5 p.m. MST September 15, 2025. Refunds for withdrawal of entry or cancellation for any reason after that time will not be refunded.

**Jr Fed/Club Calf Refunds & Substitutions:** No substitutions or refunds will be given with the new structure. Please refer to individual division pages for more information.

**Breeding Cattle Entry Refunds:** There will not be \$15 refunds for cattle cross entered into the junior and open shows in 2025.

**Breeding Cattle Substitutions:** Substitutions may be made within the same breed, within the same sex, and by the same owner of the original entry. The substitution may be made after the entry deadline, if information on the substituted animal is provided to the breed superintendent at the time of registration check-in. Substitutions after check-in are not allowed.

**Livestock Arrival:** Exhibitors must check-in with the brand inspection office upon arrival during livestock office hours (see livestock office hours on pg 4). The brand inspectors will be located in the Expo Center 8am-5pm daily (see map). If arriving after official livestock office hours, cattle should proceed to tie-outs or assigned pens for pen cattle. Check-in with the brand inspectors immediately the following morning. Please see your specific breed section for the time you are allowed into the Expo Center with cattle, tack, and bedding. Exhibitors should check with livestock office for stalling assignments. Please stall in assigned spaces only. Lambs, goats and swine should proceed to assigned pens in Montana Pavilion.

**Assignment of Stalls:** The assignment of stalls will be made by the show management. Special requests will be given consideration, but no guarantees will be made. Stall request forms must be completed on entry form. Fitters and exhibitors wishing to stall cattle for various owners (within a breed) must request to do so by completing the form and/or contacting NILE Office directly. All cattle will be given 3 1/2 feet of space. **Animals NOT entered at NILE will NOT be allowed into the barn - they must stay in tie-outs** (tie-out pens are **NOT** available to purchase for these animals). Cow/Calf pairs, if calf is not entered as an individual, the calf will not be assigned a stall. Additional stall space can be purchased (*only if stall space is available*).

**Arrival & Departure:** Please see individual divisions for specific times of arrival and release. **Move-in dates and times are subject to change if space becomes limited. The NILE will spread word of any scheduling changes via social media.** Should changes be made to move-in times, animals will need to stay in designated tieout areas until space is available.

**Release:** All exhibitors at NILE must keep their livestock and/or exhibit in place until specified release time. Breeding cattle will be released after their specific breed shows. Sale cattle will be released immediately after sale. After a breed has been excused from the barn, they will be able to stay in the tie-out area until the end of the NILE Stock Show & Rodeo, October 18, 2025.

**Tie-Outs:** Cattle will be tied out in designated area (see map). There will be no cattle tied to perimeter fences or to the outside of livestock barns. Tie-out time is 6 pm and livestock must be returned to their stalls no later than 8 am each day. Exhibitors must furnish straw for tie-outs. **Exhibitors will NOT be allowed to setup pens in tie-outs for safety reasons.** Pens are available to purchase at time of entry for \$90/pen.

**Feed & Bedding:** First bedding in stalls will be provided. Once an exhibitor claims his or her stall by adding their display, tack or cattle, that stall area will not be refurbished with added bedding or cleaned by NILE or Metra staff personnel. Additional bedding will be available for a fee from concessionaire. Feed will be supplied through a concessionaire agreement, no deliveries permitted on the premises other than by concessionaire. Exhibitors may bring own feed and bedding. No motorized vehicles in Expo Center, please bring hand conveyance for hauling bedding (carts, wheelbarrows, etc.). Extra bedding, feed, hay & straw will not be delivered to stalls or tie-outs by NILE or feed concession personnel. Exhibitors must furnish bedding for tie-outs. **ONLY STRAW WILL BE ALLOWED IN TIE-OUT AREAS.** Straw will be available on grounds at concessionaire for a fee, or exhibitors may bring their own (tie-outs only).

**Fitting Chute/Stand Permits:** Permits for chutes/stands may be purchased at time of entry or upon arrival at the livestock office, at a charge of \$25 per chute/stand. **Exhibitors must provide their own chute/stand.** Permit purchase is for having the chute/stand on the grounds and not for space in the barn. Chutes/stands in restricted areas will be subject to confiscation by show management. Any participant failing to have a chute/stand permit clearly visible at all times will be subject to having the chute/stand removed from the grounds by NILE with no recourse. Additional areas for chutes/stands will be available as room permits.

**Camper/RV Hookups:** A limited number of RV hookups are available, some of which have only electricity. Reservations for these spaces will be accepted and assigned on a first come, first paid basis only. The cost is \$60/night for hookup on a per day basis. Specify trailer size. Water hookup may not be available depending on weather. Any trailer or RV hooked up to facility electricity will be charged the fee.

**Livestock Trucks & Trailers:** Exhibitors will be able to park in the lower exhibitor parking lot at no charge or they will be able to park on the south east end of the grounds (former tie-out area). There will be no parking near livestock barns or on roadways. Exhibitors will be given a 30 minute pass upon arrival at the Expo Center. Equipment only will be allowed to be unloaded at this time. Cattle will be allowed to be unloaded into the tie-outs when exhibitors arrive at the fairgrounds. Immediately after unloading, trucks/trailers must be moved to designated areas. Violators will be towed at owner's expense. Traffic at the unloading areas will be one-way only. Detailed unloading instructions will be included in exhibitor confirmation packets mailed out prior to the show.

**Sign/Stall Cards:** Livestock exhibitors are permitted to display stall cards over individual animal, as well as herd signs in the immediate area. NILE does not supply stall cards. NILE reserves the right to remove signs. Commercial signs (such as feeds, minerals, stock medicines, etc.) will not be permitted anywhere in the livestock area except in purchased trade show space or sponsor signage.

**Care of Animals:** The exhibitors will be responsible for the delivery of their animals to the appropriate department at the designated times. Exhibitors will be required to attend to their animals while on display and to have them presented to the judges when called. Any exhibitor who fails to present his animals in the ring when the class is called, or to be weighed if required, may be barred from competition and will forfeit all fees.

**Restraint/Unruly Animals:** Any unruly animal may be removed from the show. Show superintendents and exhibitors are encouraged to report any unruly animal to the livestock office. Haltered cattle must be sufficiently gentle to be properly handled by one attendant on foot. The general manager/executive committee are authorized to make the final decision on removal of the animal; there will be no appeal.

**Exhibitor Safety:** If exhibition of an animal poses a danger to the exhibitor and/or other parties, management reserves the right to: (1) allow a substitute exhibitor or (2) remove the animal from competition.

**Diseased/Injured Animals:** No animals having a disease or injury of any character will be admitted to the grounds at any time. Superintendents are instructed and authorized to refuse admission and report to management any stock having a disease, injury or undesirable ailment. Exhibitors are encouraged to have all their cattle tested for BVD and have documentation on hand proving a negative test.

**Death of an Animal:** Please contact the NILE Livestock Office immediately. There are implementations in place by the show management to handle the situation.

**Human Injury on Grounds:** Please contact the NILE Office immediately. If there is a witness, please have them standby for questioning by NILE management who has implementations in place to handle the situation.

**Unethically Fitted Livestock:** The showing of unethically fitted livestock, the showing of any ineligible age for exhibition in the class entered, or the misrepresentation of breeding status is prohibited. Unethical fitting will be deemed to consist of changing the normal conformation of any part of the animal's body or using drugs, including over the counter and/or extra-label, or mechanical devices to alter the physical makeup and/or performance of the animal. Consult the national show ring code of ethics on page 24.

**Waste Removal:** Exhibitors and the NILE have the responsibility to have waste disposed in an appropriate manner. All animal, feed and bedding waste material goes to a site to be composted. Please keep your animal, feed and bedding waste separated from your regular man-made garbage. It is the responsibility of each exhibitor to keep stalls, pen, aisles and/or exhibit areas clean and neat. To keep the barns in order, we ask that you have stalls cleaned and waste material placed in the designated sites before 7 p.m. each evening. During the day, waste is to be removed periodically to keep the barns clean. Please place waste in the nearest designated refuse area. Violators will be charged a clean-up fee, which will be withheld from any premium monies won if waste is not placed in the designated areas.

**Disqualification:** Should any animal awarded a prize be disqualified, the lower placing animals will NOT move into the higher position.

**Ownership Requirements:** All animals must be exhibited by owner as required by breed associations. See specific divisions for ownership requirements.

**Protests:** Protests must be made in writing and accompanied by a deposit of \$300 (nationally accepted practice). Said deposit will be forfeited if protest is not sustained. Protests pertaining to eligibility must be submitted at least 6 hours prior to the beginning of judging. Protests concerning alterations, tampering or age must be submitted immediately upon conclusion of judging; judging procedures will not be interrupted. Protests must state clearly the cause of the complaint or appeal and be delivered to the general manager. Depending on the nature of the protest, decisions may be withheld pending a complete investigation and final decision by the general manager and executive committee, where there will be no appeal.

**Decision of the Judge is Final:** The decision of the judges shall be final in all classes except where mistake, fraud, misrepresentation or collusion not discovered at the time of the judging is proven. In such cases the general manager or committee as may be appointed, shall either make the decision, or (at its discretion) send the case to the general manager, from whose decision there can be no appeal. Judges will not award prizes to any unworthy exhibit. Animals must be shown in the manner required by the judges; if any exhibitor refuses to comply with the judges requirements, his/ her animal will be dismissed.

**Backtag Numbers:** Each entry will be assigned a separate backtag number in the official program of NILE. This numbered card must be displayed by the attendant when the animal is in the judging ring.

**Exhibitors entering the ring with the incorrect backtag or no backtag will not be allowed into the showing until number is fixed. If number is not fixed or exhibitor is asked a second time they will be disqualified. No exceptions!**

**Time of Judging:** All animals must be exhibited before the judges in the show ring, with number attached. No animal may be awarded a prize while in its stall or pen with the exception of specified pen shows. Judging schedules, as published in this book will be followed as closely as possible. NILE reserves the right to make changes. Any changes will be announced by the Voice of the NILE.

**Loading & Unloading:** Loading zones will be clearly marked on the grounds. Please refer to your confirmation packet prior to arriving at the MetraPark grounds for further instructions. Exhibitors will be allowed 30 minutes to unload and load equipment, feed and cattle within these zones. Vehicles remaining in the unloading/loading zone for longer than the 30 minute time limit will be towed at the owner's expense.

**Barn Hours:** Exhibitor access to the Expo Center (breeding cattle barn) will be allowed from 3am-10pm daily, through the end of the show, approximately 7 p.m., Saturday, October 18. Public entrances will be locked at 7 p.m., with the exception of one exhibitor entrance, check at livestock office for location of unlocked exhibitor door. All animals, cattle, tack and equipment must be removed from the Expo Center by 7 p.m. on Saturday, October 18, unless they are Supreme Row contenders.

**Cattle Sales:** Individual breed sales shall be governed by the contracted sale manager and breed association sponsoring the sale, in accordance with the auction laws of the State of Montana. Terms of sale are U.S. currency. All responsibility and guarantees lie between the buyer and seller. Consignors agree to waive and release any and all rights and claims for loss, theft, death or damages against NILE, its staff, board of directors, volunteers, sponsors, as well as MetraPark and Yellowstone County.

**Sale Regulations:** All Sale animals (Cattle & Jr Fed) MUST have a visual ID Tag placed in one of their ears (i.e.: EID Tag, Bangs Vaccination Tag, etc) for the show veterinarian.

- All Sale Females (CATTLE ONLY) must have proof of Bangs Vaccination prior to arrival at NILE or unloading on the MetraPark grounds. Proper ear clip and matching tattoo is mandatory for veterinarian purposes.
- All sales cattle must be listed on a separate health certificate than show cattle.

**Premiums:** Premiums will be forwarded to the person or company indicated on the entry form. Social security number or federal ID number is required for all premium amounts in excess of \$600. The NILE office will send a W-9 form for completion and return before sending premium check. If no person is designated for receipt of premiums, form will be forwarded to the exhibitor as soon after the close of the show as processing will allow. Cash premiums are payable by bank check. All refunds will come along with any premiums won.

**Requests for checks to be reissued after 90 days will be charged a \$25 reissue fee.**

#### BREEDING CATTLE PREMIUMS & AWARDS

	Number In Class				
	1	2	3	4	5 or more
1st	\$50	\$70	\$80	\$90	\$100
2nd		\$50	\$60	\$70	\$80
3rd			\$25	\$30	\$40

# NILE Health, Brand & Import Regulations

The NILE is committed to protecting the health of your livestock. Although we cannot guarantee the health of any animals participating in NILE, we have taken steps to minimize the threat of exposure to contagious diseases. The Certificate of Veterinary Inspection issued by your local accredited veterinarian is an important part of our animal health monitoring system at the NILE. A Certificate of Veterinary Inspection is needed even if you live within Montana.

Veterinary services will monitor the health of the animals on the grounds, be available (on private fee basis) should you need assistance with an animal's health or injury problem, and to write outgoing inspection certificates for sale animals. Common items which sometimes get overlooked:

- Failure to get an incoming veterinary inspection.
- Lack of brucellosis vaccination for female cattle.
- Incomplete documentation by the veterinarian on the inspection certificate.
- Lack of EIA - (Coggins) test on sale horses.

Thank you for your cooperation. if you have any questions regarding regulations, please contact:

Montana Department of Livestock  
Animal Health Division: (406) 444-2976  
Brand Enforcement: (406) 444-2045

## NILE GENERAL REQUIREMENTS:

1. **All animals presented for exhibition or sale from out-of-state shall be accompanied by a certificate of veterinary inspection and brand inspection.** Animals originating from a state that

- does not have official brand inspections may obtain one upon arrival in Montana. Import permits should be obtained by the accredited veterinarian issuing the Certificate of Veterinary Inspection within 10 days prior to arrival into Montana.
2. Animals presented for exhibition or sale on NILE grounds shall be accompanied by a Certificate of Veterinary Inspection.
3. All arriving animals are subject to a clinical inspection. Any animals showing clinical evidence of disease will be refused entry or required to be handled in accordance with directives of the veterinarian in charge. Animals affected with warts, ringworm, pink eye, other skin conditions, unsightly blemishes or any communicable disease will be refused entry into the NILE or removed from the grounds at the discretion of the official show veterinarian and show officials.
4. Animals, which develop a disease condition during the course of the show, are to be handled in accordance with the directive of attending veterinarian.
5. Exhibitors arriving with sale & show animals should have **two health certificates & two brand inspections** - sale animals and show animals.

**FREQUENTLY ASKED QUESTIONS:**

Q: How long are import permits good for on a hand-written paper health certificate?

A: The life of the health certificate, 30 days from the date of inspection of the animals.

Q: If my Veterinarian issues my health certificate electronically, but prints out a copy for me, does that mean I need a permit number?

A: NO. The health certificate was still issued electronically, therefore, no permit number is required.

**DRUG USE (as adapted from the National Code of Show Ring Ethics)**

Legal or illegal substances used to physically alter the appearance, behavior, and/or performance of an animal entered in livestock events are prohibited. Performance enhancing drugs (including, but not limited to; steroids, diuretics, anti-inflammatories, tranquilizers and pain killers) may not be administered 5 days prior to showing the animal.

**VIOLATION OF DRUG USE & WITHDRAWAL TIMES:**

Use of illegal drugs is considered a pre-meditated act! Any information obtained on the practice of illegal alteration of an animal will be turned over to the proper authorities for criminal prosecution.

The use of animal drugs or other substances in any manner other than in accordance with the labeling approved by the Food & Drug Administration (FDA), the United States Department of Agriculture (USDA), and/or the Environmental Protection Agency (EPA) is a violation of federal law. Any animal that exceeds acceptable levels established by the appropriate regulatory agencies, such as the USDA, FDA, and EPA, will be in violation of these rules and appropriate action will be taken. **For all drugs or medications given to market animals, the recommended and/or established withdrawal times for that drug must be strictly followed.**

Violation of the Drug Use Rule will result in the disqualification of the animal being shown and may result in disqualification of the exhibitor. Disqualification of an exhibitor is a "ONE STRIKE AND YOU ARE OUT POLICY!" Violations of the Drug Use Rule may also result in an exhibitor forfeiting any premium, awards, or auction proceeds and being prohibited from further competition at the NILE Stock Show, as well as being subject to criminal prosecution if proven guilty. A second offense in the same immediate family may result in the barring of the entire family of the exhibitor from further participation in any state supported livestock show.

# National Show Ring Code of Ethics

As adopted by the Northern International Livestock Exposition 2025

Exhibitors of animals at the NILE Stock Show, ProRodeo & Western Expo shall at all times deport themselves with honesty and good sportsmanship. Their conduct in this competitive environment shall always reflect the highest standards of honor and dignity to promote the advancement of agricultural education. This code applies to junior as well as open class exhibitors who compete in structured classes of competition. This code applies to all livestock offered in any event at a livestock show. In addition to the "IAFE Code of Show Ring Ethics," fairs and livestock shows may have rules and regulations which they impose on the local, county, state, provincial and national levels.

All youth leaders working with junior exhibitors are under an affirmative responsibility to do more than avoid improper conduct or questionable acts. Their moral values must be so certain and positive that those younger and more pliable will be influenced by their fine example. Owners, exhibitors, fitters, trainers and absolutely responsible persons who violate the code of ethics will forfeit premiums, awards and auction proceeds and shall be prohibited from future exhibition in accordance with the rules adopted by the respective fairs and livestock shows. Exhibitors who violate this code of ethics demean the integrity of all livestock exhibitors and should be prohibited from competition at all livestock shows in the United States and Canada.

The following is a list of guidelines for all exhibitors and all livestock in competitive events:

1. All exhibitors must present, upon request of fair and livestock show officials, proof of ownership, length of ownership, and age of all animals entered. Misrepresentation of ownership, age, or any facts relating thereto is prohibited.
2. Owners, exhibitors, fitters, trainers, or absolutely responsible persons shall provide animal health certificates from licensed veterinarians upon request by fair or livestock show officials.
3. Junior exhibitors are expected to care for and groom their animals while at fairs or livestock shows.
4. Animals shall be presented to show events where they will enter the food chain free of violative drug residues. The act of entering an animal in a livestock show is the giving of, consent by the owner, exhibitor, fitter, trainer and/or absolutely responsible person for show management to obtain any specimens of urine, saliva, blood, or other substances from the animal to be used in testing. Animals not entered in an event which culminates with the animal entering the food chain shall not be administered drugs other than in accordance with applicable federal, state and provincial statutes, regulations and rules. Livestock shall not be exhibited if the drugs administered in accordance with federal, state and provincial statutes, regulations and rules affect the animal's performance or appearance at the event.

If the laboratory report on the analysis of saliva, urine, blood, or other sample taken from livestock indicates the presence of forbidden drugs or medication, this shall be prima facie evidence such substance has been administered to the animal either internally or externally. It is presumed that the sample of urine, saliva, blood, or other substance tested by the laboratory, to which it is sent, is the one taken from the animal in question, its integrity is preserved and all procedures of said collection and preservation, transfer to the laboratory and analysis of the sample are correct and accurate and the report received from the laboratory pertains to the sample taken from the animal in question and correctly reflects the condition of the animal at the time the sample was taken, with the burden on the owner exhibitor fitter ' trainer ' or absolutely responsible person to prove otherwise. At any time after an animal arrives on the fair or livestock show premises, all treatments involving the use of drugs and/or medications for the sole purpose of protecting the health of the animal shall be administered by a licensed veterinarian.

5. Any surgical procedure or injection of any foreign substance or drug or the external application of any substance (irritant, counter-irritant, or similar substance) which could affect the animal's performance or alter its natural contour, confirmation, or appearance, except external applications of substances to the hoofs or horns of animals which affect appearance only and except for surgical procedures performed by a duly licensed veterinarian for the sole purpose of protecting the health of the animal, is prohibited.

6. The use of showing and/or handling practices or devices such as striking animals to cause swelling, using electrical contrivance, or other similar practices are not acceptable and are prohibited.
7. Direct criticism or interference with the judge, fair or livestock show management, other exhibitors, breed representatives, or show officials before, during, or after the competitive event is prohibited. In the furtherance of their official duty, all judges, fair and livestock show management, or other show officials shall be treated with courtesy, cooperation and respect and no person shall direct abusive or threatening conduct toward them.
8. No owner, exhibitor, fitter, trainer, or absolutely responsible person shall conspire with another person or persons to intentionally violate this code of ethics or knowingly contribute or cooperate with another person or persons either by affirmative action or inaction to violate this code of ethics. Violation of this rule shall subject such individual to disciplinary action.
9. The application of this code of ethics provides for absolute responsibility for an animal's condition by an owner, exhibitor, fitter, trainer, or participant whether or not he or she was actually instrumental in or had actual knowledge of the treatment of the animal in contravention of this code of ethics.
10. The act of entering an animal is the giving of consent by the owner, exhibitor, fitter, trainer, or absolutely responsible person to have disciplinary action taken by the fair or livestock show for violation of this Code of Show Ring Ethics and any other rules of competition of the fair or livestock show without recourse against the fair or livestock show. The act of entering an animal is the giving of consent that any proceedings or disciplinary action taken by the fair or livestock show may be published with the name of the violator or violators in any publication of the International Association of Fairs and Expositions, including Fairs and Expos and any special notices to members.
11. The act of entering of an animal in a fair or livestock show is the giving of verification by the owner, exhibitor, fitter, trainer, or absolutely responsible person that he or she has read the IAFE Code of Show Ring Ethics and understands the consequences of and penalties provided for actions prohibited by the code. It is further a consent that any action which contravenes these rules and is also in violation of federal, state, or provincial statutes, regulations, or rules may be released to appropriate law enforcement authorities with jurisdiction over such infractions.

## See Livestock Rules & Regulations located at front of book.

- Exhibitors must have the original registration certificate issued by the American Angus Association available for inspection at the show for each animal or another current proof of ownership issued by the American Angus Association pedigree look up. Any animal, upon check-in, which does not have a legible permanent identification mark (ear tattoo marks, freeze-branded marks or hot-branded marks) corresponding to the permanent identification mark on the registration certificate, is ineligible to show. Once disqualified due to an incorrect or illegible permanent identification mark, animals cannot be re-identified (tattooed/branded) and rechecked at the show.
- Any female shown with a calf at side: the calf must be the cow's most recent natural calf, and the calf must be registered by show day and have proof of registration at check in.
- Only one person at a time shall lead an animal into the show ring.
- *Exhibitors who participate in shows that accept premium monies contributed by the American Angus Association are subject to the Association Rules as found in the Breeders Reference Guide of the Association. These rules are found in Part 2; Association Rules. The rules relating directly with the exhibition of Angus cattle are Part 2: Association Rules; Rule 800 Series; including Rule 800-810. These rules can be found at [www.angus.org](http://www.angus.org).*
- Altering the conformation and/or appearance of an animal for exhibition is prohibited. This includes the use of chin straps, covering of white skin, false tail heads (or use of any false hair), with the exception of false tail switches. The use of graphite, powders, hemp or other similar substances used externally are also prohibited. Other prohibited products include those used internally such as steroids, illegal or unlicensed pharmaceuticals or artificial filling. Any animal found to be in violation will be barred from showing.
- At any show for which the American Angus Association appropriates funds toward the payment of premiums, no exhibitors, individuals assisting exhibitors or member owners at such show shall be allowed to use any coloring agents, on any animal exhibited. The Association may adopt and implement various tests designed to monitor this prohibition, including but not limited to a "white towel" or "white glove" test. No aerosol cans or other pressurized containers will be allowed in designated line up areas.
- All animals exhibited are subject to DNA marker or blood type test to verify accuracy of parentage as covered under the Association Rules and for other testing as required by the individual show.
- Authorized representatives of the Association have the authority to enforce the rules set forth herein as well as in the Association Rules, including the barring of a registered animal from a livestock show at which it is to be shown, if there are reasonable grounds to believe a violation has occurred.

## Premiums & Awards:

See page 17 for monetary premiums. Grand Champion Bull and Grand Champion Female will receive NILE jackets. Reserve Grand Champion Bull and Female will receive a NILE vest. Grand Champion Female and Bull are eligible to compete for Supreme Grand Champion on Sat., Oct 18 at 6:00pm.

## Special Association Premiums:

The American Angus Association®, 3201 Frederick Avenue, St. Joseph, Mo., will participate in premiums offered for open class Angus breeding cattle classes according to the premium schedule based on the number of head shown. The premium assistance provided by the American Angus Association for participation in this show is in addition to the premiums offered by the show itself. The premium assistance should not be used to offset show expense and shall be included in the premium payments distributed by the show to the exhibitors.

\$750 in additional premiums will be awarded in 2025, based on the numbers exhibited in 2024. A minimum of 70 head must be shown in the open class division to receive American Angus Association premium participation for the following year. Premiums from the Association are paid only to registered Angus cattle and only if the registration number is a part of the show report provided to the Association. Therefore, all cattle should be registered at the time of entry to make certain they receive the Association's portion of premiums. The Association does not pay on championship or any group classes, (i.e. get-of-sire, junior get-of-sire or breeder six-head).

## Classes denoted with a\*\* are not paid premiums.

(Any classes listed in this classification, which exceeds 15 head per class, should be broken into smaller classes. This should be accomplished by dividing the class as evenly as possible without splitting animals with the same birth date. Class breaks will be at the discretion of the American Angus Association staff in attendance.)

This should be accomplished by dividing the class as evenly as possible without splitting animals with the same birth date. Class breaks will be at the discretion of the American Angus Association staff in attendance.)

- A minimum of fifteen (15) head must be shown in the Junior Angus heifer classes to receive American Angus Association premium participation. The show is not required to have all classes to be eligible for premiums. Separate classes for bred and owned heifers may be held if the size of the show merits a separate class.
- Separate classes for bred and owned heifers and bulls may be held if the size of the show merits a separate class.
- Only bred and owned bulls may be counted in the numbers report for premium participation.
- To be eligible for Association premiums the entries must be recorded in the sole name of the junior exhibitor and the issue date on the registration certificate must conform to the individual shows requirements regarding ownership. The Association's contribution is included in the total premiums listed in each class.
- Premiums from the Association are paid only to registered Angus cattle and only if the registration number is a part of the show report provided to the Association. Therefore, all cattle should be registered at the time of entry to make certain they receive the Association's portion of premiums. The Association does not pay a percentage on premiums offered in championship classes. An animal may only be counted one time toward the total count for premium participation by the Association.

**Entries due by: September 1st (Late entries must be submitted by 5 pm MST Sept 15th)**

## See Livestock Rules & Regulations located in front of book.

- Eligibility limited to open heifer calves & bred heifers purchased in the 2024 Sale only. Bred Heifers must show with natural calf at side.
- No "picks of the herd" will be eligible; the purchased animal must have been requested to be transferred to a junior on the day of the sale.
- Animal must be shown by a MJAA or NJAA Junior member (under age 21), to whom the animal is registered under. Exceptions can be petitioned to the Montana Angus Association Board.
- No entry fee is required for heifers in the Futurity show, however a stall fee of \$25 is required only if heifer has not been exhibited in other NILE Angus Shows.
- NILE stall fees are the responsibility of the exhibitor.
- Exhibitors must abide by all NILE Livestock Rules & Regulations, NILE Health, Brand & Import Regulations and the National Show Ring Code of Ethics as outlined in the NILE premium book. The premium book is available online at [www.thenile.org](http://www.thenile.org).
- Exhibitors must have the original registration certificate issued by the American Angus Association available for inspection at the show for each animal or another current proof of ownership issued by the American Angus Association pedigree look up. Any animal, upon check-in, which does not have a legible permanent identification mark (ear tattoo marks, freeze-branded marks or hot-branded marks) corresponding to the permanent identification mark on the registration certificate, is ineligible to show. Once disqualified due to an incorrect or illegible permanent identification mark, animals cannot be reidentified (tattooed/branded) and rechecked at the show.
- Altering the conformation and/or appearance of an animal for exhibition is prohibited. This includes the covering of white skin, false tail heads (or use of any false hair), with the exception of false tail switches. The use of graphite, powders, hemp or other similar substances used externally are also prohibited. Other prohibited products include those used internally such as steroids, illegal or unlicensed pharmaceuticals or artificial filling. Any animal found to be in violation will be barred from showing.
- At any show for which the Montana Angus Association appropriates funds toward the payment of premiums, no exhibitors, individuals assisting exhibitors or member owners at such show shall be allowed to use any coloring agents, on any animal exhibited. The Association may adopt and implement various tests designed to monitor this prohibition, including but not limited to a "white towel" or white glove" test. No aerosol cans or other pressurized containers will be allowed in designated line up areas.
- All animals exhibited are subject to DNA marker or blood type test to verify accuracy of parentage as covered under the Association Rules and for other testing as required by the individual show.
- Only one person at a time shall lead an animal into the show ring.

## Premiums & Awards:

Premiums will be announced at a later date - the MAA reserves the right to adjust the payout based on entries. The distribution of the premiums awarded will be adjusted if fewer cattle than anticipated are entered. All participants will receive a jacket. Breeders of Grand Champion and Reserve Champion will receive a coat from the MAA.

Release Date: After the Show - Wednesday, Oct 15  
Entry Fee: \$50/class | After Sept 1st a \$50/head late fee will be charged

**Entries due by: September 1st (Late entries must be submitted by 5 pm MST Sept 15th)**

## See Livestock Rules & Regulations in front of the book.

- All animals to be eligible for an Open Charolais Breeding Class must be purebred and registered with the American-International Charolais Association (AICA). Only bona fide (original) certificates of registration will be accepted as evidence of registration and ownership; **NO PHOTOCOPIES.**
- An animal is eligible to enter or compete in an open Charolais breeding class if registered in country of origin outside of the United States and is eligible for purebred registry in the AICA Herdbook.
- Animals registered in the AICA Colored Division Registry (QF and QM initialed registration numbers) must meet the qualifications of the AICA rules and regulations.
- All animals to be eligible may be approved by a sifting committee designated by the AICA. Stall space will not be provided for any Charolais cattle that have not been accepted by the sifting committee.
- All animals are subject to a medical examination in order to determine age, and each animal will be present in the show ring in its natural conformation without alteration or modification. Use of artificial tail heads is not permitted.
- Any animal not having a legible tattoo or firebrand number is ineligible and will be barred from showing.
- Bulls from classes 20, 21, 22, 23 and 24 must have a valid satisfactory semen test certificate in possession. This certificate is valid for the entire show season.
- All animals shown in individual classes must be weaned, with the exception of the Cow-Calf Class and calves at the side of females calved after September 1, 2023. Calves at side must be purebred and registered with the AICA. Females calved after September 1, 2022, must show in individual female class appropriate to age. Nurse cows are not permitted. • All females 20 months and older exhibited at AICA sanctioned shows must be accompanied by a certificate of pregnancy from a licensed veterinarian or have produced fertile eggs as certified in a written statement by a licensed veterinarian or embryologist or have a calf at side.
- AICA requires that all animals be shown with a halter and suggest that all bulls be shown with a nose lead.
- ALL EXHIBITS OF CHAROLAIS BREEDING CATTLE SHALL BE GOVERNED BY THE AICA RULES AND REGULATIONS, ARTICLE XV, TITLED EXHIBITION OF ANIMALS. THE INSPECTION OF EXHIBIT CATTLE IS SPECIFIED IN ARTICLE XV, PARAGRAPH C, OF THE ASSOCIATION RULES AND REGULATIONS AND NON-COMPLIANCE OF EXHIBIT INSPECTION IS SPECIFIED IN PARAGRAPH D OF THE SAME ARTICLE XV.

- ARTICLE XV, PARAGRAPH B, POINT 2: "Each animal will be presented in its natural conformation and structure without alteration or modification. Alteration or modification shall be defined to include any surgical, chemical, electrical or other (including banding or other circulatory constriction) appearance change for cosmetic purpose, save only branding, tattooing, foot trimming or dehorning. The act of artificially filling animals internally, which would include stomach pumping, drench tubes, or any other method per os (by esophagus) is prohibited. Silicone injection or other injection for cosmetic purpose shall be prohibited. Anabolic steroid use shall likewise be prohibited and any animal testing positive for anabolic steroid or diuretic use shall be presumed to be altered and modified."
- **Where circumstances exist and/or allow, AICA reserves the right to split large individual classes after the check-in procedure is complete.**

## Cow Sense & Science

# THE WHOLE IS GREATER THAN THE PARTS

Today, breeding the next generation of profitable cattle requires the use of all tools available to the modern cattleman – from data-based tools like genetic evaluations and genomic predictions to those phenotypic characteristics that require evaluation by the stockman's skilled eye. It's all about combining **Cow Sense & Science** to determine a bull's real-world worthiness.

## See Livestock Rules & Regulations located at front of the book

- Show order: Gelbvieh females, Balancer females, Balancer bulls, Gelbvieh bulls, and group classes (#29, 30, 31)
- Gelbvieh and Balancer cattle will each compete within their respective shows. Group classes can be made up of a combination of Gelbvieh and Balancer cattle, but no group can be entirely made up of Balancers.
- Percentage, purebred and fullblood Gelbvieh females seventy-five (75%) percent to one hundred (100%) percent will show together in the Gelbvieh show. Percentage, purebred and fullblood Gelbvieh bulls seventy-five (75%) percent to one hundred (100%) percent will show together in the Gelbvieh show. No changes can be made after entry deadline. A 75% Gelbvieh female or bull that is 25% other (Hereford, Simmental, etc.) does not have a choice and must show in the Gelbvieh show." To qualify for the Balancer® Show all cattle must meet the American Gelbvieh Association's rules for registration as a Balancer.
- Proof of satisfactory semen evaluation for bulls twelve (12) months of age or older as of December 31 must be submitted at the time of check-in. Bulls over two (2) years of age must have a semen evaluation certificate issued within 90 days of the show.
- Cattle must be entered and exhibited under the recorded ownership at the time of the show entry deadline date. Jointly owned animals must be entered and shown under the multi- ownership (all co-owners) in the individual classes.
- All animals must be properly tattooed, freeze branded, EIG tag recorded on registration papers including herd prefix, and will be inspected at the show. If the tattoo is illegible or does not correspond to registration certificate, the animal is ineligible to show or may be re-tattooed by the exhibitor and re-checked at the end for processing at the discretion of the show management.
- All protests against exhibitors, dealing with age or genetic background of show cattle, must be in writing and signed by five (5) Active members of the AGA, accompanied by one hundred fifty (\$150) dollars in cash, unless more is required by the show, and then presented to the show superintendent within twelve (12) hours before starting of the show.
- All bulls 240 days of age or older must show with a nose lead. Entry into the show ring with out one will be an automatic disqualification. The right to disqualify from the show any animal deemed unmanageable is reserved by the show committee.
- All females shown in cow/calf class with a calf over one hundred fifty(150) days of age must be bred back and must be accompanied by a verification of pregnancy signed by a licensed veterinarian. Exception to the rule of safe in calf will apply to a donor female that has produced fertile eggs in the previous twelve (12) months as verified in a written statement from a licensed veterinarian.

- Age of calf at side in cow/calf class must not exceed two hundred forty (240) days as of date of the show.
- The following data will be provided to the judge for consideration: frame score, weight at the show, scrotal circumference, and the most current EPDs. Neither actual or adjusted birth weight, weaning weight nor yearling weight will be provided.
- Classes will be split as evenly as possible after processing. Splits will be decided using total entries at processing. The divisions are standard for all Ring of Gold shows. Classes will be split within those divisions.

## Traits to be evaluated:

The American Gelbvieh Association show committee requests that cattle exhibited be evaluated considering the Gelbvieh breed's all purpose position in the beef industry. Therefore judging should include balanced selection rather than emphasis on single traits. The complete picture should be given priority. Available estimated progeny differences (EPDs) will be given to the judge to be used as part of his overall evaluation of the animals shown. Consequently, it is the recommendation of the show committee that the following traits be considered as a package:

- Calving ease: Moderate birth weight, adequate calving ease
- Growth: Adequate early growth
- Mature size: Moderate mature size
- Fertility: Ample scrotal circumference
- Efficiency: Capacity and volume, adequate fleshing ability
- Milk production: Optimum (not extreme)
- Functional traits: Udder quality (when applicable), moderate to tight udder suspension with small teats. Quiet temperament
- Structural soundness: Sound leg structure and feet; ample mobility
- Carcass characteristics: High cutability, ample muscling, 1,100 -1,350 lbs. live weight for steers at slaughter.

## Premiums & Awards:

The Montana Gelbvieh Association will provide additional 20% to the premiums. See page 17 for monetary premiums. Grand Champion Bulls and Grand Champion Females will receive NILE jackets. Reserve Grand Champion Bulls and Females will receive a NILE vest. Grand Champion Gelbvieh Female and Bull and Grand Champion Balancer Female and Bull are eligible to compete for Supreme Grand Champion on Sat., Oct. 18 @ 6:00 p.m.

Entry Fee: \$50/class - After Sept 1st a \$50/head late fee will be charged

**Entries due by: September 1st (Late entries must be submitted by 5 pm MST Sept 15th)**

## See Livestock Rules & Regulations at the front of the book.

- All cattle including calves on the side of cow-calf pairs and senior yearlings entered must be registered in the Herd Book of the American Hereford Association (AHA). Entries with registrations "pending" or illegible tattoos or improper tattoos as shown on the registration certificate at check-in time are ineligible for competition. Exhibitors are subject to the Association's special rule on class qualification. Entries in these classes are accepted with the understanding that the exhibitor agrees to abide by the rule in all respects.
- The exhibition of cattle displaying false hair will not be allowed.
- Any product administered internally or used externally to alter the conformation of an animal for exhibition is prohibited. This includes the use of graphite, hemp or other similar substances externally and steroids or growth stimulants internally.
- The act of artificially filling animals internally, which includes stomach pumping, drench tubes or any other method by mouth or esophagus, is prohibited.
- All animals shown in group classes must have been shown in their respective single-age class. No transfer from one (1) breed to another, after entry, will be permitted.
- Expected Progeny Difference (EPD) values will be provided to the judge and audience for all animals shown. Animals without EPD data are eligible to show but will have N/A (not available) in place of missing data.
- Any animal without a legible tattoo will not be eligible to show.
- An animal that is scurred (scurs are small, rudimentary horns that are loosely attached to the head, which are considered to be expressed only in animals that are genetically heterozygous for the polled gene) will show in the polled division of Hereford shows. Once an animal is confirmed to be scurred by an AHA field representative, then this designation will be placed on the animal's registration papers. Once this determination has been made and reported to the AHA office, then the owner may remove the scurs. Animals with scurs removed will show in the polled division of Hereford shows. Once an animal is confirmed polled or scurred, it will retain this designation forever.
- The individual classes will be made up and divided after the cattle are checked in at the show. They will be judged from the youngest to the oldest animal within each class.
- It is recommended by the AHA Show Committee that classes with 10 or more head be considered to be split, depending on animals' birthdates in each particular class.
- If the number of classes in a division warrant, a division will be split into multiple divisions.
- Calves on the side of cow-calf pairs and senior yearlings MUST BE the cow's natural calf and fully registered with the AHA.

## Rules and classifications

Exhibitors in Hereford classes are subject to the Association's special rule on class qualification, and any animal without a legible tattoo will not be eligible for show. For state and regional shows, all Hereford animals must be officially recorded at show time to be eligible to show. Entries with registrations "Pending" or "Applied For" will be ineligible to show.

This show is an approved Regional Show by the American Hereford Association. Horned and Polled cattle will be combined and show together based on the classification below.

## Premiums & Awards:

See page 17 for monetary premiums. Grand Champion Bull and Grand Champion Female will receive NILE jackets. Reserve Grand Champion Bull and Female will receive a NILE vest. Grand Champion Female and Bull are eligible to compete for Supreme Grand Champion on Saturday, October 18 at 6:00 p.m.

## See Livestock Rules & Regulations located at the front of book.

- All animals must be recorded in the name of the exhibitor prior to July 15, 2025. Exhibitors must have the original registration certificate on each animal available for inspection at the show. There will be a Full blood show and a Moderator (1/2, 3/4, 7/8, etc.) show. Group classes can contain both Purebred and Moderator cattle in the same group and will all compete against each other.
- Proof of satisfactory semen evaluation for bulls born prior to September 1, 2024 must be submitted at the time of check-in.
- Cattle must be entered and exhibited under the recorded ownership at the time of the show entry deadline. Jointly owned animals must be entered and shown under the multi-ownership (all co-owners) in the individual classes.
- All animals must be properly tattooed and will be inspected at the show. Tattoo must be legible and must match registration papers.
- All cattle must meet the health requirements set out by the Show Management. Any deviation will be just cause for immediate disqualification from the show.
- All bulls born before September 1, 2024 must show with a nose-lead. The right to disqualify from the show any animal deemed unmanageable is reserved by the show committee.
- Any female with a calf at side, irregardless of age, must show in the Cow/Calf class. All females born before August 31, 2023 must be shown with calf at side. All females born September 1, 2023 through April 30, 2024 must be accompanied by a verification of pregnancy signed by a licensed veterinarian. Exception to the rule of safe in calf will apply to:
  - a donor female that has produced fertile eggs in the previous twelve (12) months as verified in a written statement from a licensed veterinarian
  - females shown with calf at side.
- All females shown in the cow/calf classes with a calf over 150 days must be bred back and must be accompanied by a verification of pregnancy signed by a licensed veterinarian. Exception to the safe in calf rule will apply to a donor female that has produced eggs in the previous twelve (12) months as verified by a written statement from a licensed veterinarian.
- Cow-Calf classes -Any female with a calf at side, irregardless of age, must show in the Cow-Calf class. Calf must be cow's natural calf. Cows that are exhibited with calves at the side must be lactating. Calves must not exceed 240 days of age on day of judging and must be nursing. Calf entries in the Cow-Calf class may be shown individually providing individual entry has been made. Cows may be evaluated and screened out of the show on the basis of udder quality. The determination of the show committee will be final.
- Any person found guilty of misrepresentation, or not abiding by the show rules, will be disqualified and denied the privilege of showing.
- If a Senior Yearling has calved, she must show in the cow/calf division.
- The individual classes will be made up and divided after the cattle are checked in at the show. Any of the classes may be split if classes become too large, at the discretion of show management. They will be judged from the youngest class to the oldest class.
- Classes may also be combined if there are single entries within a division.

- FUTURITY:** Heifer Futurity & Power Bulls only. Entries MUST be entered in the Aberdeen Show. Points awarded to heifers for Heifer of the Year.

## Entries due by: September 1st (Late entries must be submitted by 5 pm MST Sept 15th)

### See Livestock Rules & Regulations located at front of the book.

All cattle entering the Regional Red Angus Show must meet and follow the Rules and Regulations set forth in Section J of the Red Angus Association of American (RAAA) Rules and Regulations apply to all RAAA sponsored shows.

### Ownership Requirements:

- All animals entered will: 1.) Have at least one owner on record as a Regular or Junior Member of RAAA by check-in. 2.) Be registered with RAAA and meet all requirements for Category 1A or 1B by the entry deadline. 3) Have Official Registered Status at the time of show's check-in.
- Exhibitors must have Official Ownership at the time of the late entry deadline, September 15, 2025.
- Substitutions will only be permitted for animals already entered and within the same sex, according to the hosting show's deadline, but no later than check-in.

### General Regulations:

- Entries are accepted with the understanding that each exhibitor agrees to conform to the Rules and Regulations of the RAAA. Enforcement will be at the discretion of the RAAA authorized representatives and may include barring an animal or exhibitor.
- Exhibitors shall exhibit sportsmanship and professional behavior in and around the show ring. Abusive, discourteous, or threatening behavior towards judges, show officials, fellow exhibitors or RAAA authorized representatives will not be tolerated.
- DNA: Parent verification must be completed on the individual animal and verified to the greatest extent possible before shown. (Implementation date RAYE 2024 and all upcoming Regional and National shows. Ruling passed at January Board meeting)
  - All Grand and Reserve Champions and overall animals in all shows will have DNA collected to be parentage verified to the greatest extent.
  - Please submit your DNA as soon as possible to allow ample time for the lab to process for all Regional and National shows.
  - For questions regarding DNA, please contact the RAAA DNA department at [dna@redangus.org](mailto:dna@redangus.org).
- All animals must have legible tattoos which match the Animal ID and Herd Prefix as recorded in the RAAA database prior to processing:
  1. Animal ID and Herd Prefix verification may be via printed registration certificate or real time electronic representation of the RAAA database.
  2. If the Animal ID and/or Herd Prefix are not legible and cannot be read during processing, it will be allowed to participate in the show. A fee of \$100 will be charged to the exhibitor for a DNA parentage test of said animal.
  3. If the Animal ID and/or Herd Prefix are legible but are incorrect, the animal will not be allowed to show.

- Each animal will be exhibited in its natural conformation and structure and without any alterations or modifications, with the exception of acceptable fitting and grooming practices.
  - The use of paints, pumping and/or the addition of any hair or hair-like substances will not be allowed.
  - At the time of processing, all females 20 months of age or older on publicized date of show must have the one of the following:
    1. Certificate of pregnancy from a licensed veterinarian.
    2. Written statement by a licensed veterinarian or embryologist of having produced fertile eggs.
    3. Female's own natural born calf at side, which need not be registered, but must be eligible for category 1A or 1 B registration in the RAAA.
  - All bulls 9 months of age or older on publicized date of show must be shown with a nose lead.
  - After processing, should the number of entries in any class exceed practicality, authorized representative of the RAAA have the authority to "split" classes according to age and at the date of birth that best encourages fair competition.
  - Any calf exhibited at the side of their dam in a cow/calf class may be exhibited in an individual class subject to all pertinent RAAA
- Declaration of Participation: Each exhibitor is subject to the "Declaration of Participation" in accordance with the Rules and Regulations of the RAAA.

**Entries due by: September 1st (Late entries must be submitted by 5 pm Sept 15th)**

## **See Livestock Rules & Regulations located at front of the book**

### **Purebred Show:**

- o All cattle must be purebred and have an original American Shorthorn Association registration paper (red paper) - NO copies or faxes accepted - to be eligible to show.

### **ShorthornPlus Show:**

- o All cattle must be registered ShorthornPlus (green paper). ShorthornPlus animals must be 50% Shorthorn blood concentration or higher to be eligible for ShorthornPlus show.
- All animals must be registered as the property of the exhibitor in the records of the American Shorthorn Association by the time of the show.
- American Shorthorn Association staff will accept electronic registration papers at ASA sanctioned shows for check-in, unless otherwise stated by the hosting shows rules.
- Individual animals shown in all of the group classes listed must have been entered and shown in one of the classes for single animals. Multiple owned animals must be exhibited in the name of all the owners. Family bred and raised animals entered by Juniors in the Jr. Show and subsequently entered in the Open Show may be treated as family entries in group classes.
- All Shorthorns are subject to a tattoo inspection by representatives of the ASA. All Purebred and ShorthornPlus are subject to parentage DNA testing by ASA. All Purebred Shorthorns and ShorthornPlus are also subject to an age inspection if deemed necessary by the ASA and the decision of the examining veterinarian is final. Use of artificial fins on show animals is not permitted.

### **Sr/Jr Yearling Pregnancy Rule for Open Show Exhibitors:**

- o If a purebred female has a ShorthornPlus calf at side, it is NOT eligible for the Purebred Shorthorn Show, however it is eligible for the ShorthornPlus Show.
- o All females 20 months old at the time of the show need to have a pregnancy verification signed by an accredited, non-owner veterinarian at the time the female is processed for the show. If verification cannot be produced upon request, the exhibitor is allowed to find a qualified veterinarian to verify pregnancy prior to time of show.

- **IMPORTANT:** Each of the following classes MAY be broken into multiple classes to accommodate large numbers of entries, but separate classes MAY NOT be combined into one.

### **Premiums & Awards:**

# 2025 Club Calf Steer and Heifer Show & Sale

Dept: Club Calf - Div: See Below

Superintendent: Jay Nansel - Billings, MT (406) 698-6711  
Judge: Colton Prescott - Winchester, IN  
Barn Available: 8am - Saturday, Oct 11  
In Place: 12pm - Sunday, Oct 12  
Weigh-In: 2pm - 4pm - Sunday, Oct 12  
Judging: 1pm - Monday, October 13 (after Club Calf Fut.)  
Sale: 2pm - Tuesday, October 14 - Montana Pavilion  
Release Date: After the Sale - Tuesday, Oct 15  
Entry Fee: \$50/animal  
Pen of 3: \$50/pen (pen of 3 must be entered as individuals & owned by one exhibitor to be eligible)

**Entries due by: September 1st OR until show is full (space is limited!)**

See Livestock Rules & Regulations located at front of the book

**All cattle arriving for cattle sales or exhibition must be individually identified, (official tag, etc.) on health certificate. Accepted ID is bangs tag, RFID, or a USDA silver tag. Sale animals and show animals must be listed on separate health certificates.**

- Show order - futurity heifers, heifers, pen of 3 heifers, steers, pen of 3 steers
- All steers or heifers will be entered and shown individually. Steers or heifers shown as individuals are not required to be owned by the exhibitor. A "pen of three" competition will follow the individual steer or heifer shows. To be eligible, all three steers or heifers must be bred and owned by the exhibitor and must be entered in the name of the exhibitor.
- All calves will be stalled together if possible. Stalling request must be made on entry form. Preference to those that request being stalled with another exhibitor, **no guarantees**.
- NILE will furnish a committee to determine those steers/heifers that meet the rules and regulations of the show. This committee will sift any animal on quality that they feel is not representative of feeder calves that will mature into exhibition show market steers/heifers. Entry fees are forfeited in the event that calves are sifted or fail to arrive at the show and/or sale.
- Steers and heifers will be tagged and weighed for show classification between 2 - 4 p.m. on Sunday, October 12, 2025. A weigh sheet, listing weight & corresponding lot numbers, will be available prior to sale.
- Steers and heifers will be shown by weight and not by breed. The superintendent will divide them into equal classes by weight. The "pens of three" will be shown and judged in one class for steers and one class for heifers. All steers and heifers must be born January 1, 2025 and after.
- Steers and heifers must be fitted, broke to lead, and shown on halter. Sale and moving arrangements dictate calves must be led when moving from one area to another. A halter must remain on the calf after the sale. If a consignor fails to comply with this rule, a rope halter will be purchased and cost charged to consignor.
- **Entries will be limited to 10 total entries combined (max of 6 heifers) per owner. Division limited to 125 steers & 60 heifers.**
- **The sale will be limited to the top 90 steers and 45 heifers determined by the judge's placement. No sale substitutions will be permitted.**
- Number of steers/heifers sold may NOT reach maximum amounts listed; **if the animal is sifted by sifting judge, the animal WILL NOT sell.**
- Steer and heifer entries entered in the show must be "marketable feeders" i.e., free from lump jaw, blindness, or horns, evidence of late castration, or otherwise not marketable cattle. Calves showing excessive age may be eliminated from competition.
- Animals eligible to sell not going through the sale ring will be charged a **\$750 no sale fee**. It shall be the responsibility of exhibitors to "protect" the sale price, thus there will be no "No Sales" going through the ring. Sellers pay commission on the last bid. Once the gavel falls, an animal has been purchased - no exceptions.
- Checks will be mailed to consignors within 15 banking days, made payable to owner and lien holder if applicable.
- NILE Club Calf Futurity: NILE will withhold \$30 from sale check of all animals in the sale for partial funding of Futurity.
- Steers & Heifers will sell individually by the head.
- An animal eliminated from the show by the sifting committee or the judge will not sell and **must be removed from the barn by 10 a.m. on sale morning**. Arrangements can be made to sell the sifted animal through the local sale yard.

- **Sale commission fee 8% on all animals sold.**
- Calves unentered are **NOT** allowed in the barn.
- The sale order will be grand champion steer, reserve grand champion steer, grand champion heifer, reserve grand champion heifer, grand champion pen of 3 steers/heifers, and reserve grand champion pen of 3 steers/heifers. The remaining animals will be sold in show order. If steer or heifer is not present for sale at designated time, it will be sold at the end of sale.
- Brand Inspections and CVI's for steers/heifers sifted from the sale will be written back into the consignors name and will not be transferred while on NILE grounds. Consignors will need to pick up paperwork before leaving the grounds.
- Complaints and sale disputes should first be directed to the superintendent, whose decision is final and enforceable.
- NILE acts only as an agent for the consignors in the sale and does not assume any responsibility while the animal is on grounds, during loading or transportation, or for the animal's future usefulness. All guarantees are strictly between the buyer and seller.
- Pen of Three Competition: \$50 per Pen Entry Fee. Calves must be entered and shown individually. Please enter on entry form.

**Sale Catalog:** NILE will NOT print a sale catalog. However, we will publish a "Club Calf of the Day" beginning October 1. Please submit high resolution photos by September 26 to participate. [livestock@thenile.org](mailto:livestock@thenile.org)

**ONLINE ENTRIES:** NILE will only accept online entries for the 2025 NILE Club Calf Show & Sale. Please visit [www.thenile.org](http://www.thenile.org)

**Entry Limitations:** Entries in 2025 will affect entries for 2026. In 2025, if a consignor enter the maximum of 10 head combined (6 heifers max):

**July through September 15** - a consignor can scratch entry(ies) with no penalty, no refund(s) of entry fee.

**After September 15 through check-in** - a consignor can scratch entry(ies), but will be penalized number of entries in 2025 and no entry refund(s).

Should a consignor scratch all entry(ies) they will not be eligible to enter this division in 2026. This will be a 'one year probationary period' - example: 2024 entries will affect 2025, 2025 entries will affect 2026, etc..

## **Premiums & Awards:**

### Jr. Fed Division Rules:

- Only the owner will be allowed to show and sell the animal. (Owner must show and take animal through show ring - owner does not have to be present for weigh-in).
- One individual judge will do judging of each class of livestock.
- Complaints must be in writing to NILE livestock superintendent.
- Every exhibitor in consideration of his/her entry being accepted specifically represents that he or she has read and agrees to abide by the National Show Ring Code of Ethics as adopted by NILE printed in this book (General Information) and understands the consequences of and penalties involved for illegal, unethical, inhumane, and unfair practices of competition. Animal color can be enhanced, but not changed.
- Any youth 18 years or younger (as of January 1, 2025) and enrolled in 4-H or FFA may exhibit. Animals must be in exhibitor's care, custody & ownership at time of entry.
- Exhibitors will be charged an entry fee for each animal entered with the fee accompanying the entry. No refunds or substitutions.
- Junior Fed hogs, lambs, & goats will be stalled in the Montana Pavilion.
- Junior Fed steers will be stalled in the Expo Center.
- **BOTH BARNs WILL BE READY FOR MOVE IN THURSDAY, OCT 9 @ 4PM**
- Junior Fed Lambs & Goats must weigh in on 10/9 between 4-8pm. We will do vet checks off the trailer and straight on to the scale.

### Arrival & Weigh-In:

- Livestock will be weighed-in for classification; refer to "Jr. Fed Livestock Scheduling" **This weight will be used as the sale weight.** Check weight limits. No re-weighs. Following weighing of the animals, classes will be designated and posted. Entries will be divided into classes at NILE's discretion.
- A portable electronic scale will be used to weigh the stock for show classification and sale weight. These scales meet minimum tolerance for livestock; however, the scales will not be certified.
- Stalls will be assigned. Exhibitors encroaching on others assigned space will forfeit all premiums and will be subject to disqualification.
- Tie out time is 6 p.m., animals must be returned to stalls by 8 a.m. (Steers Only)

**Removal of Animals - All NON-sale animals** are allowed to leave after their show. ALL animals will need to be removed from the Montana Pavilion at the conclusion of the sale. No overnights into Tuesday morning.

**Bills of Sale:** Proof of ownership on each animal entered must be submitted at time of entry; paperwork should include animal tag # or scrapie #. Copies will be accepted. **If proof of ownership is not received by September 1, the entry will be declined and no refund will be given.** It is the exhibitor's responsibility to check before entry to see if there is a lien on their animal or brand. Lien releases must be supplied at weigh-in. Settlement checks will be made payable to recognized lien holder (as required by the Montana Department of Livestock) and exhibitor. Cattle exhibitors must obtain a lien release from the brand owner's lending institution to ensure clear title to animal.

**Health Regulations:** Refer to Health, Brand & Import Regulations on pgs 16-18 in the front of this book. Health regulations will be enforced for Jr. Fed animals as for other livestock entering NILE shows. NILE requires Certificates of Veterinary Inspection on all Jr. Fed Livestock.

**Each species must be on a separate copy of the health certificate.**

**Wholesome Assurance Statement:** The use by non-veterinarians of animal drugs or other substance in any manner other than in accord with the labeling approved by FDA is a violation of federal law. Abuse of the extra label privilege by veterinarians is unethical and is subject to serious consequences such as license revocation. Any food animal must not exceed FDA/EPA/USDA-established tolerances for any foreign substance including drugs, pesticides, feed additives, or other chemicals. Violative results of residue testing are subject to investigation by USDA and FDA for prosecution. Misrepresentation of a food animal that can potentially affect the acceptability of the carcass or milk will be considered fraud.

## ELECTRONIC IDENTIFICATION

**ANIMAL IDENTIFICATION:** All animals MUST be officially identified with a permanently numbered electronic identification tag. **Number MUST be on original entry and tag MUST SCAN. Animals that have tags that DO NOT SCAN will be sent home!**

• Exhibitors can order electronic tags themselves or contact the NILE. If animal already has an electronic tag, another is not needed.

• **Both electronic tag AND full Scrapie tag (lambs/goats) MUST be on original entry and Health Certificate.**

**Residue Avoidance:** The NILE will use the National Show Ring Code of Ethics on page 20 as it's official rules regarding all issues involving drug residue(s) and/or surgical procedures in addition to regulations found in the Health, Brand, & Import Regulations on pages 16-18.

- Any animal is subject to a random drug test -Any animal that tests positive for illegal substances or drugs will forfeit all proceeds of animal sold and carcass (should animal sell), as well as forfeit all premiums and will be prohibited from showing in any NILE show or sale for one (1) year.
- All Grand & Reserve Champion animals will be tested for illegal substances/drugs. Additionally, the NILE reserves the right to pull/ draw samples at random from all exhibitors.
- Comply with label withdrawal times.
- Withdrawal times for approved medications must be observed. Any violation will risk sale eligibility. Withdrawal information may be obtained from county extension agents or your local vet.
- Only animals with veterinarian prescriptions will be allowed to be given antibiotics while on grounds.

**Tack Spaces:** Due to space limitations, tack spaces will not be available for purchase.

**Waiting List:** Entries will open for all NILE Livestock Shows on July 15 of each year. The Jr Fed Division fills VERY QUICKLY and due to limited space the shows are closed before the September 1st entry deadline. As each individual show is closed, a waiting list for each division is created. To be placed on the waiting list, please email [livestock@thenile.org](mailto:livestock@thenile.org). As exhibitors in the show scratch from the show, the spaces will be filled from the top of the list down. All communication for the waiting list will be via email, a valid email address will be required. Exhibitors will have three (3) days to respond to the initial email from NILE. If the exhibitor does not respond within the time frame given, the exhibitor will be rolled to the bottom of the waiting list and the next exhibitor will be notified. It is our goal to allow as many youth in the Jr Fed Show as possible, there is a chance that entries of one or two animal(s) per exhibitor may be asked to share a pen to maximize our pen spaces (lambs & goats). To maximize space; Lambs, Goat, & Hogs will be stalled in 5'x5' pens. Hogs exhibitors will need to provide their own divider.

**Fungus:** All livestock will be inspected at check-in for any fungus, sore mouth, or other contagious disease. Presenting animals and animals that traveled with the infected animal(s) will be asked to leave the premise immediately, no entry refunds will be given.

**Pen Sizes:**

- Hogs: Will be penned in 5'x5' pens. Each exhibitor is required to bring their own pen divider to split pens.
- Lambs & Goats: Exhibitors entering one (1) or two (2) entries will be penned in 5'x5' pens. Siblings will be penned together.
- Steers will have 3 1/2 feet of space to tie in the barn.

**Entry Limits:**

Please see next page for individual division limitations.

**No refunds will be given nor will substitutions be made.**

*Example: Should an exhibitor enter 6 lambs and show 3, entry fees for the lambs not showing will not be refunded to the exhibitor.*

**Entry Scratches:**

**Notify the NILE Livestock Office of any/all scratches by 9/15/25**  
*Should an exhibitor fail to notify and scratch ALL entries by 9/15/25, the exhibitor will not be allowed to enter for 1 year.*

**Premiums & Awards:**

Ribbons will be awarded to five places in each class. A portion of the entry fees in the Jr. Fed division will be paid to exhibitors in premiums to be divided in accordance with placing to four places for the number shown in class: 40%, 30%, 20%, 10%

**Payouts to Champion & Reserve Champions:**

Grand Champion Steer: \$2,000

Reserve Champion Steer: \$1,000

Grand Champion Lamb, Goat & Swine: \$500

Reserve Champion Lamb, Goat, & Swine: \$250

\*\*\*Premiums are guaranteed. Added sponsors may provide additional funds. Those Sponsors will be recognized at the NILE this fall.

In addition, Grand Champions will receive a NILE buckle sponsored by Town & Country Supply and Reserve Grand Champions will receive NILE coats. Banners to division champions in the hog, lamb and goat divisions.

**Jr. Fed Sale of Champions:** An exhibitor will be limited to the sale of only one (1) animal, with the exception of Grand & Reserve Champions, which must sell.

- Sale limit: 100 total animals will sell. Allotment of species will be determined by the Jr. Fed Committee.
- Animals qualify for sale by ranking in Jr. Fed Show.
- Exhibitors are responsible for "protecting" their animals in the sale, thus there will be no "NO SALES".
- All participants selling animals in the sale or withdrawing animals from the sale, must notify officials by 6 p.m., Sunday- October 12. All animals not selling will be charged a brand inspection fee or vet fee for new health.
- **Any exhibitor who fails to present eligible animal (entry is listed in Jr. Fed sale order) in sale ring will forfeit all premiums and will not be eligible to enter the NILE Jr. livestock show for a period of one (1) year nor any immediate family member of their family.**
- Exhibitor must be present at the show and sale and is responsible for getting animals to the sale arena, and delivery to shipping area.
- Exhibitor must stay in sale order when lined up for sale. Failure to do so will result in the exhibitor selling last.
- Exhibitors selling beef must have a halter on the animal following the sale until they have been shipped to proper destination. All halters should be marked for identification.

- **All animals sold will be assessed a 5% commission.** Any exhibitor that requests that check be reissued due to loss, etc., will have a \$25 stop payment fee deducted from the reissued check.
- **Exhibitors are REQUIRED to write thank you notes to buyers.** Sale checks will not be mailed out until a thank you note to the Livestock Buyer has been written, stamped and delivered to the NILE Office. Checks will be held until thank you is received.
- Complaints/sale disputes are directed to the Jr. Fed committee. In the event complaints or disputes are not resolved at this level, they are to be directed to the livestock superintendent and NILE general manager.
- NILE acts only as an agent for the consignors in the sale and does not assume any responsibility while the animal is on grounds, during loading or transportation, or for the animal's future usefulness. All guarantees are strictly between the buyer and seller.
- Exhibitors **MUST** have one of the following before leaving the grounds: a NEW brand inspection for an unsold animal or the original health certificate turned in at weigh-in. See Division Superintendent to get original back. Fines will be charged to those exhibitors who do not comply.
- All animals selling are subject to being selected to be used in the Livestock Judging Contest on Monday, October 14, 2024.

**Sale Order:**

- **All champions and reserve champions MUST SELL**
- Division Champions will follow the overall champions (if selling)
- Sale rotation in 2025 will be goats, beef, lambs & hogs.

## Class Number:

Class 1. 2025 Merit Heifer

The purpose of the Merit Heifer program is to help youth get a start in the beef cattle business by awarding heifer calves to project participants chosen on the basis of merit, future goals, and ability to care for the animal. Any youth age 12 -16, who is a 4-H or FFA member may enter. Class of 2026 applications are not limited to Montana. All entries will be made in the form of an application, (think of this as applying for a live animal scholarship) with a deadline of June 30, 2025. The NILE Merit Heifer Class of 2026 will be selected by mid-September 2025 will be recognized at the NILE Stock Show on October 17, 2025.

Each program participant will own his/her calf jointly with NILE until the completion of the program, at which time NILE officials will sign off and the participant will take full ownership of the heifer and her offspring. During the program duration, participants are responsible for raising the heifer, arranging for her to be bred, completing the record-keeping procedure and bringing the animal back one year later as a bred replacement heifer for exhibit at the NILE Stock Show. The program is completed after the heifer is determined bred, all record keeping has been completed and the heifer has been shown at the 2025 NILE. Note: Participants will not sell their program animals at NILE, the purpose of this new program is to help the participant start his/her own cattle herd. For more information, contact the NILE office, 406-256-2495.

**NO REFUNDS AFTER September 30, 2025!**

**Entry:** A team will consist of four (4) individuals from the same FFA chapter. Two teams per chapter allowed (A & B). 'A' teams will take priority.

**Premiums & Awards:** Award jackets to the top team (please stop at EXPO Office to order). Plaques to teams 2nd - 3rd, Top Ind. 1st - 3rd.

**Contest Guidelines:** This contest consists of a team of four (4) students. All students will take a written test; math applications exam; identification; individual practicums; and all will participate in the team activity. Please contact superintendent for more info.

**A. Written Test (100 points)** - The written exam is designed to determine team members' broad understanding of the veterinary science field. The written exam will consist of 50 questions. Forty minutes will be given for the exam.

**B. Math Applications Exam (100 points)** - The number of practicum questions will vary based on the type of activity that is assigned. Participants will have 30 minutes to complete the entire math application practicum. Questions may include conversions, dose calculations, dilutions, cost calculations and invoices.

**C. Identification (100 points)** - Participants will identify equipment, parasites and breeds/species for a total of 100 points (two points per item). Forty minutes will be given for this activity.

1. Equipment (50 points) - Participants will identify pieces of equipment (actual equipment and photos). They will also need to have general knowledge about the use for each item.
2. Parasites/Microscopic (30 points) - Participants will identify parasites (specimen and photos) and explain the life cycles of selected parasites. Participants will identify microscopic organisms.
3. Breeds (20 points) - Participants will identify breeds of small and large animals (photos).

## D. Individual Practicums (320 points)

1. Clinical Procedure Practicum (200 points) - Participants will be given four clinical procedure activities to complete (50 points each). Fifteen to 30 minutes will be allotted for this section depending on the activities selected each year. Participants are expected to talk through the clinical procedure steps to a judge as they are being scored. Judges may ask participants for clarification on steps performed.
2. Handling & Restraining Practicum (120 points) - Participants will be given four handling/restraint activities to complete (30 points each). Fifteen to 30 minutes will be allotted for this section depending on the activities selected each year. Participants are expected to talk through the handling and restraining steps to a judge as they are being scored. Judges may ask participants for clarification on steps performed.

**E. Team Activity** - Teams will evaluate the information provided and prepare the questions, diagnostics and recommendations as well as explain steps and procedures for the veterinary process in their plan. Teams need to determine what aspects of veterinary medicine and roles are most important to demonstrate based on the annual topic. After preparation the team will be required to give an oral presentation for a maximum of 15 minutes explaining decisions made by the team. All team members are expected to participate in the presentation.

The team will then be required to answer questions from judges regarding the decisions the team reached. Resources provided for the team activity may include diagnostic information like blood work, synopsis of disease state, treatment recommendations and cost information

**Questions:** For general contest questions and information please call the NILE office at 406.256.2495 or [livestock@thenile.org](mailto:livestock@thenile.org). For team entry & registration, contact [JudgingCard.com](http://JudgingCard.com) (see top of page for contact information).

**Wilson Gooseneck Trailers**

Riveted construction means Wilson aluminum gooseneck livestock trailers are more rugged for off-road use. They flex when they need to without breaking costly and time consuming welds. Once back out on the highway, you will hardly realize the trailer is back there. Stronger gates, the industry's best floor and your lowest cost of ownership are even more reasons to buy Wilson. If you've got livestock to haul, make sure you've brought Wilson **along for the ride.**

**Ranch Hand Slat Style**

Wilson offers their stock trailers with slat style sides. Interlocking aluminum extrusions bonded together form a very strong side wall with extremely smooth interior walls.

Wilson's **Roper Equestrian Series** trailer gives your horses one of the most secure and smoothest rides and you will appreciate all the great available options.
